
Who We Are...

The mission statement on the front of this flyer is God's call to anyone who would like to be a part of this church family. This call, to be a *Lighthouse of Hope*, becomes a reality when people like you get involved. It can start with the very first time you visit.

Opportunities for participation include: Sunday School for children and adults of all ages, junior and senior high youth groups, church trips, women's group, men's group, Bible studies, mothers' group, musical groups, cantatas, plays, musicals, mission opportunities, and a host of other activities. Everyone is welcome to participate. We have no dress codes.

This church has been serving Winchester for well over one hundred years. It has the reputation of being an open and caring congregation. It combines a rich past with an openness to change when it can help reach people with the love of Christ. Hundreds are shown God's love through the ministries of this congregation every year, and you are welcome to be a part in any way you choose.

What we believe...

As Christians we believe in God, His son, Jesus Christ, and the Holy Spirit. We believe that through the sacrifice and resurrection of Jesus we have been saved from sin and death. We believe that the Bible is the Holy Word of God. We believe that we are called to be a church to spread the good news of God's love and grace to the world.

As United Methodists we strive to be: Involved, committed, diverse, open. A people who try to be accepting, caring, hospitable and inclusive. Family- and community-oriented. A people who are concerned about those beyond their communities, around the world. Active in mission, responsive. A people who love music, church suppers and fellowship. Initiators, with a history of creating ministries related to education, employment, health and other issues. A people who like to tell the story of God's redeeming grace.
