Centering Words

“But those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life.” - John 3:16

Opening Prayer (Unison Prayer)

Jesus, you meet us on the road, in places we do not expect, and among people the world too quickly judges. As you crossed into Samaria and paused at the well, cross the boundaries we carry within ourselves. Help us see ourselves with honesty and grace, and see others not through labels or assumptions, but through your eyes of mercy and love. As we begin this journey together, open our hearts to the living water you offer all. Amen.

Opening Prayer (Unison Prayer)

Living Christ, you call us to lift our eyes and see the world as you see it— fields ripe with possibility, lives ready for hope. You send us not to stand and watch, but to step into your work with courage and compassion. Make us a people who say, “Come and see,” and whose lives point others toward your love. As we gather at this place and prepare to be sent, ready our hearts for the harvest you have already begun. Amen.
